#### HOW TO APPLY

- You must either apply at a TWRA license agent, a TWRA regional office, or online at [www.tnwildlife.org](http://www.tnwildlife.org). If you encounter any problems while applying, please call 615-781-6621 during regular office hours (8:00-4:30 CST). **No application will be accepted or changed after the deadline. Do not mail this form to TWRA.** You may view your completed application online at [www.tnwildlife.org](http://www.tnwildlife.org). Click on "check your quota hunt application status and permit availability." For problems, questions and those without computer access, please call the quota hunts office at the number listed above.
- Applications will be accepted between December 17, 2008, and midnight February 11, 2009.**
- Using this instruction sheet, select the hunts for which you wish to apply. You have up to 12 choices but will be drawn for only one. You may not use the same hunt code more than once.
- No person may apply more than once. If two or more applications are submitted representing one individual, that individual's application will be **rejected** and the individual will be **subject to prosecution**. Youth hunters (ages 6-16 by the date of the hunt) may apply but must be accompanied by an adult 21 years of age or older, who must remain in a position to take immediate control of the hunting device.
- You may apply alone.** Once you apply alone, you may not create or join a party. **You may create a party.** (See #6 for more information about creating parties.) You may allow other applicants to join your party by giving them your party number. **You may join a party created by another applicant.** To do this you must have the party number when applying. **A party may not exceed five members.**
- A party must be established by a party leader who will **create** the party, select the hunt choices for the party and the number of drawings in which the party members wish to participate (maximum number of drawings for Spring Turkey is 1). The party leader will also decide whether or not to allow an applicant with lower priority to join. **A party number will be assigned when the application is complete and will be printed on the receipt.** The leader must supply his/her party number to applicants wishing to join.

(continued on the back)

7. **Applicants must review their receipt and verify name, address, hunt choices, party number, fees, etc., upon completion to ensure accuracy.**
8. A permit fee will not be charged to Annual Sportsman (Type 004), Lifetime Sportsman (Types 402 through 405) license holders or Senior Citizen Hunters (Type 166) with an Annual Senior Citizen Permit (Type 167). TWRA will pay the agent fee for these transactions. For all other license holders, the cost is \$20 per permit, plus the agent fee.
9. When **applying at a license agent**, you must remain at the location while your application is processed. You will receive a receipt with your confirmation number when your application is complete.

### SPRING TURKEY DRAW INFORMATION

1. A computer drawing will be held to determine successful applications based on the priority drawing system.
2. **Priority Drawing System:** TWRA's priority drawing system gives priority points (maximum of 5 points) to hunters based on the number of years that they have participated in the Spring Turkey quota hunt drawing without being drawn for a hunt. Applicants who were successful last year will start over with a priority of zero. In order to be drawn with priority, applicants **must** apply, either alone with valid priority status, or in a party in which **all** applicants have the same priority status. If a party includes a member with a different priority, that party and all its members will be drawn at the lowest priority of the application.  
**Note: If you do not know your priority status—**
  - (a) find it on the license selection page on the internet purchase site when you apply.
  - (b) visit the TWRA home page and click on the "check your quota hunt application status and permit availability" link.
  - (c) call the Quota Hunts office (615-781-6621) during regular office hours (Monday–Friday, 8 a.m.–4:30 p.m. CST).
3. **Successful and unsuccessful applicants will be notified by mail.** Unsuccessful applicants' permit fees will be refunded. Receipt and deposit of permit fee(s) do not constitute permission to participate in any hunt. Results of the drawing can only be viewed on the TWRA website: [www.tnwildlife.org](http://www.tnwildlife.org). Click on "check your quota hunt application status and permit availability."
4. **Permits are not transferrable. No refunds will be made after the drawing to anyone issued a permit.**
